### Standardized Integration Statement

Sharon A. Mayer is a sole proprietor applicant and will be integrated into the management and operation of her proposed FM radio station as General Manager on a fulltime basis, a minimum of forty hours per week. Her duties will include formulating station policy and supervising all phases of station operation, including the overall hiring and supervision of the performance of station employees in their assigned duties. As General Manager she will also oversee the continuing ascertainment of community needs and interests and the formulation of programming to meet those needs and interests.

Mrs. Mayer currently works as the Club House/Pro Shop Manager of the Woodlyn Hills Golf Course in Milford from approximately March until December of each year. During this period, she averages approximately forty hours per week in that position. In the event she is awarded a construction permit, she will resign from that position. Mrs. Mayer is President and 51% stockholder of Northwest Electronics, Inc., a retail computer hardware and service business which she owns with her husband. She performs bookkeeping work for the company on an unpaid basis amounting to about two hours weekly. In the event she is awarded a construction permit, she will terminate this work and resign as President of Northwest Electronics, Inc.

Mrs. Mayer has no ownership interest in or connection with any radio or television broadcast station, any cable television system, newspaper or other medium of mass communications nor is she an officer, director or employee of any entity having an interest in such a medium.

Mrs. Mayer will claim credit for female ownership insofar as such claim is recognized by law, governmental policy or rule. She will not claim credit for minority ownership.

Mrs. Mayer will claim qualitative credit for her local residence. Except for temporary absences when she was in college at the University of Iowa from the fall of 1976 to the spring of 1977 and at Iowa State University from the fall of 1977 until graduation in November, 1980, Mrs. Mayer's residence address from her birth in 1958 until May, 1981 was R.R.1, Milford, Iowa. The house in which she was raised is located in West Okoboji, Iowa, about one-half mile north of the Milford city limits. In May, 1981, she and her husband moved to Houston, Texas where they lived until the fall of 1986, when they returned to their present residence on R.R.1, in Milford. She will continue to live at her Milford residence. Her residences in Iowa have been within the 3.16 mV/m signal contour of her proposed FM radio station.

Mrs. Mayer will also claim qualitative enhancement for her civic activities. They include the following.

Since the fall of 1990, Mrs. Mayer has been a volunteer worker at the Discovery Center Pre-School in Milford, Iowa, assisting with parties, special events and as a substitute staff worker.

As the Club House/Pro Shop Manager of the Woodlyn Hills Golf Course since late 1988, Ms. Mayer arranges special events or tournaments for groups or businesses in the area. For approximately twenty years, the Golf Course has been the host course at no charge for the girls' golf team at the Okoboji (Milford) Community School. Each year Mrs. Mayer assists the six local golf leagues with their operations.

As Manager of the Golf Course in 1990, Mrs. Mayer enrolled Woodlyn Hills in the American Cancer Society golf card program and the American Lung Association golf card program. Patrons having such cards may play a round of golf free at participating courses.

Woodlyn Hills Golf Course has been a member of the Iowa Great Lakes Chamber of Commerce for over twenty years. As Manager, Mrs. Mayer represents the Golf Course in the Chamber of Commerce.

Woodlyn Hills Golf Course has been a member of the Milford Commercial Club for approximately fifteen years. As Manager, Mrs. Mayer represents the Golf Course in the Commercial Club and attends its meetings.

In 1992, Milford celebrated its Centennial. Mrs. Mayer participated in activities connected with the Centennial. She helped organize the men's and women's golf tournaments for the Milford Commercial Club. Woodlyn Hills was the host course for these events. She contributed an article about the Golf Course for the Centennial book, a history about the Milford area. With the money made during the Centennial, Milford will be building a new senior citizens community center.

In 1992, for the City of Milford, Mrs. Mayer adopted and planted a city planter in front of the American Legion building. It was maintained by her from May into September.

In 1992, Mrs. Mayer aided the local Boy Scout troop in setting up goose houses in the pond at the Woodlyn Hills Golf Course as a wildlife refuge.

Mrs. Mayer and her husband, through Woodlyn Hills Golf Course, sponsored a farm couple for the corn yield contest banquet held in February, 1993.

Mrs. Mayer has been a member of St. Joseph's Catholic Church in Milford for her entire life except for the years she lived in Houston. In 1992 she and her husband paid for the repair of the stained glass window in the front of the Church in memory of his mother and maternal grandparents.

Mrs. Mayer will also install auxiliary power sources at her proposed transmitter and studio sites to permit continued operation of her radio station in the event of an interruption in power.

Mrs. Mayer does not claim credit for broadcast experience or daytime preference.

  
Sharon A. Mayer
